**MEMORANDUM**

**SUBJECT:** Final Allotments for the FY2007 Public Water System Supervision  
(PWSS) State and Tribal Support Program Grants

**FROM:**   
Stephen F. Heare, Director  
Drinking Water Protection Division, OGWDW (4606M)

**TO:** Regional Drinking Water Program Managers  
Regions I - X

On Thursday, February 15, 2007, President Bush signed Public Law 110-5 (HR 2361) - "The Revised Continuing Resolutions Appropriations, 2007". The legislation funds EPA for FY 2007 based on FY 2006 Enacted Budget levels. The originally requested amount for the PWSS State and Tribal Support Grant Program for FY2007 was \$99,099,000. However, the final amount available for funding the PWSS Grant Program is \$98,279,000. We have calculated the State, and Tribal support, formula allotments based on the \$98,279,000 figure and have directed all monies to the Region's accounts. Attached are the State-by-State allotments and the total amount available to each Region for its Tribal support program.

As a reminder, all state grant awards must adhere to the FY2007 PWSS State Program Grant Guidance that I sent to you in a memorandum dated June 7, 2006. Currently, the Tribal Support Grant Guidance is in draft form for your review and comment. Please look out for the Final Tribal Guidance as it will be issued in the near future.

If you have any questions about the allotment calculations, please give me a call, or have your staff call Monica Peña Martinez on (202) 564-2575.
